# BEFINE GEMINI CASE

## 01 italian pueblo leather

PUEBLO leather is a natural vegetabel cowhide that is manufactured in Italy.  
It is the leather that rolls metal beads on natural cowhide and creates artificial scratches.  
For that reason it has mottled feeling.  
roughness of the surface becomes smoother and gets polished as it is used.

## 02 Changing Gemini case

As time goes by, Befine gemini case becoems aging naturally gets good—looking with touching the color changes in response to light, sweat and oil and scratches can occur during a use.  
Before a use, the color of light tone turns naturally to a darker color with shines while using  
Changing gemini case, let's try to make a own case

## 03 Amazing grip

Befin gemini case is made of natural cowhide on PC case When you carry it in hands,  
it absorbs sweat and maintains sense of stability without being slippery,  
thereby enhancing the user's grip.
